

For God
our God
our loving lord
you so loved the world
that's us
all of us
every one of us

that you gave your only son
that's Jesus
our saviour

Loving Lord.
What a God we have
You are our welcoming loving god
and today we praise you
and we focus our lives on you

sitting here it's easy
For, we can feel your presence with us
but we are sorry our vision of you slips behind our
experiences of the world.
Inspire us afresh this morning Lord
we come here to you to say simply thank you.

For you loved the world so much that you gave your
only son
and in remembering that,
we can remember and feel once more
that we are forgiven
through cross and empty tomb of your son
Jesus
Amen
