

Hello everyone

Welcome to online worship from the East church

Last week on the east church website worship, we looked at one of the final stories involving Peter that Luke includes in the book of Acts.

It's the story of how Peter and Cornelius meet and it is told in two parts.

Norma read us the first part

So as they say on Television:

Today we have a new face with us Guiseppe who is will read us the conclusion of the story.

Today is also the start of guild week with the theme the extra mile. The story of Peter and Cornelius certainly sees both characters go the extra mile.

On the Guild page today we have a celebration of Guild week with an address from the convener Ray, a prayer for Guild members and the new blessing that was first sung at the online rally yesterday.

So as Peter and Cornelius discover when it comes to God it doesn't matter who you are or where you come from,

God treats everyone alike

And Jesus shows us how that works.

Let us worship God
