

Hello everyone

Welcoem to online worship from the East church.

Sarah has told you how our preparations for the holiday club are progressing.

It is an all age activity time this year and if you're wondering what kinds of activities, we have planned well there are a few over ideas over on the holiday club page today. You can get to there from the main site menu -just clickon holiday club 2020.

Each day Sarah will guide you through what is available, Melanie will introduce a theme for the day an give it a biblical context.

The Watt family will give you something to enjoy and think about related to the themes and to life in general and then there will be a range of activities to choose from. Each day will offer activities you can complete inside and outside. Some involve research using the computer, others offer relaxation.

Please let us know how you get on with the activities.

You can contact us by e-mail at

Today we reach the end of Luke's gospel

We get to

Imagine ourselves

On the ridge of the top of the Mount of Olives.

Ahead of you is Bethany

Behind you is the road

From Jerusalem

Imagine yourself there with the disciples

Watch and feel as Jesus blesses you

before his ascension.

That is the scene that Luke uses to bring the first

Part of his story to a conclusion.

Jesus has completed
His work on earth

And is taken to heaven.

The disciples around you
On the other hand

Are given a commission

And a promise.

Jesus blesses them and they worship him

And the emotion they show is joy.

So let, us follow their example today

Let us worship God

To God be the glory.
