

Lord

In remembrance of those throughout time and
even today,

All over the world who have died in war,

We pray fervently that we may become
peacemakers

O God, we pray for a new awareness of the
battlefield within us,

New ways of channelling our instincts

New ways of thinking and being

A new appreciation of the opportunities all
around us

in our community and friends.

A new vision as we look to the future

A new hope

A new love

And a new faith that the peace that only you can
give

reaches out from within us and embraces all we
do in this your world.

Amen
