

A poem called beautiful

I was walking in the park

I saw a flower

I said 'hello'

The flower said hello back

We started to talk

'What are you doing today?'

Jason trod on the flower

It started to die

I went to see it

It was dead

I saw Jason

But he just walked away.

Let us pray

Loving God

Help us to treat all parts of your creation with respect.

Help us to see the needs of others

For there are many different needs in the world today.

We know we need help to see the needs

And so we bring your people to you now.

Maybe they're sad

Maybe they're confused

Maybe they're worried

Often we don't know Lord

Only you truly do.

And so we bring them to you.

Reassure and replenish each one of us

Within your circle of peace.

Help each of us to know you are with us always.

We can be confident of that

You have promised that through your son

Jesus who taught us when we pray to say together

Our Father...

in heaven

Hallowed be your name.

Your kingdom come,

Your will be done,

On earth as in heaven.

Give us today our daily bread.

Forgive us our sins

As we forgive those

Who sin against us.

Save us from the time of trial,

And deliver us from evil.

For the kingdom, the power,

And the glory are yours

Now and forever.

Amen.
